ABOUT ME

Creative media and marketing professional with a strong inclination towards product management and AI-driven growth. Experienced in end-to-end content execution, brand building, and data-informed decision-making. Certified in AI Product Management and practically trained in KPI development through industry simulations. I plan, execute, and iterate — blending creativity with real business impact.

EXPERIENCE

Creative Media & Marketing Executive — VRNN Technologies Oct 2025 – Mar 2026

- Handled the complete content workflow — ideation, shoot planning, editing, and publishing.
- Created reels, promotional videos, posters, and AI-based creatives for social media and marketing campaigns.
- Managed client websites and digital content including Shopify store operations.
- Delivered creative and marketing work for 10+ businesses across fitness, fashion, healthcare, education, real estate, and retail.
- Key clients: CREDAI RECON Expo 2026, Huballi and Verbally Learning (marketing campaigns).

Business Analyst & Growth Associate — Verbally Learning Apr 2024 – Jan 2025

- Built Power BI dashboards for sales performance and lead tracking.
- Developed lead generation forms using Python to support marketing and growth efforts.
- Supported email marketing campaigns and growth initiatives using data-driven insights.

PROJECTS

GrowIQ — AI-Powered Business Growth Tool 2026

- Built an AI-driven tool designed to help businesses identify growth opportunities and optimize strategies.
- Demonstrates practical application of AI Product Management — roadmapping and KPI tracking.
- [Live Demo](#)
